

Introducing the Mobile Access Pass

The transition to a mobile-based system will allow a digital badge that is patented with a Triple Unlock technology that is the fastest, most reliable mobile credential system on the market that will help us conveniently improve security of the clubhouse, pool and tennis courts. Each member of the household will need an email address to receive a **digital mobile pass**. Should you want a physical card please make note of that on the Beacon Point Access Application, which is required by all residents needing access to the clubhouse, pool and/or tennis courts.

How to Get Your Pass (mobile or physical key card):

1. Complete the attached forms <https://form.jotform.com/250684821525055>
2. You will receive instruction on how to download the mobile pass and get logged in
3. Should you need assistance please sign up for a time slot with the clubhouse staff here: <https://www.signupgenius.com/index.cfm?go=w.manageSignUp#/56416916/slots/>

Helpful Tips:

- You will need to list all members that reside in your household and provide dates of birth for each user.
- You will be asked to provide an emergency contact and phone number.
- Please provide email addresses for every user who will need individual access to the facility – all adults and those 12 and older. Mobile access will need an email address per user, multiple people cannot utilize the same email address. For children – do not provide a school email address as many school email addresses have security features that will not allow the student to receive the email information.
- If you do not have a smart phone, please sign up for a time at the clubhouse and we can issue you a physical card that will perform the same function as the mobile pass. Sign up here: <https://www.signupgenius.com/index.cfm?go=w.manageSignUp#/56416916/slots/>
- If you would like assistance with registration, we would be more than happy to schedule a time for you to come to the clubhouse for assistance. Just sign up for a time here: <https://www.signupgenius.com/index.cfm?go=w.manageSignUp#/56416916/slots/>
