AGE & SUPERVISION

(Compliant with Colorado law and the Fair Housing Act)

- Children age 5 and under must be directly accompanied in the water by a responsible person age 16 or older and must remain within arm's reach at all times. This includes while in the pool, on the deck, and in the restroom.
 - Children who are not fully potty-trained must wear a swim diaper or plastic pants and a swimsuit. Cloth or disposable diapers are not allowed.
 - Swimmers who are not visibly competent in deep water may be required to pass a swim test before entering those areas. Individuals who do not pass must remain in shallow water at or below chest depth.
 - Residents under 16 years of age are discouraged from bringing guests unless they are capable of ensuring guest compliance with the rules.
 - Adult supervision is strongly recommended for minors under age 12 but is not required solely for entry.
 - All behavior and safety concerns will be addressed on an individual basis, regardless of age, to ensure compliance with the Fair Housing Act and to promote a safe environment for all patrons.
-

HEALTH & HYGIENE

- All patrons must shower before entering the pool.
 - No entry for individuals with open cuts, sores, bandages, coughs, colds, or infected eyes.

 - Patrons with less-than-ample swim skills may be restricted to shallow areas.
-

ATTIRE

- Acceptable swim attire must be worn on deck and in the pool.

 - Modest or alternative swim attire is permitted as long as it is clean, designed for use in water, and does not create a safety hazard.
 - Revealing swimwear, including thongs, G-strings, and similar attire, is not permitted. Swimwear must adequately cover the body and be appropriate for a family-friendly environment. This applies to all patrons regardless of age or gender.
-

ANIMALS

- No animals are allowed in the building or pool area, except service animals. Service animals are allowed on deck only, not in the water.
-

ALCOHOL, DRUGS, & TOBACCO

- Anyone appearing under the influence of alcohol or narcotics will be denied entry.
 - Smoking, vaping, chewing gum, and glass items are not permitted anywhere in the facility.
-

 - Infants, toddlers, or children unable to swim must remain in direct contact with an adult while using flotation devices.
 - No rafts, large flotation devices, or squirt guns are allowed.
 - For safety reasons, footballs, basketballs, soccer balls, or any throwable balls or objects are not permitted in the pool or pool deck area. Only small, soft pool-safe toys (smaller than a kickboard) may be used in the shallow end with lifeguard approval.
 - Pool noodles are permitted if used appropriately. They may not be used for horseplay, hitting, or in a way that interferes with others’ enjoyment of the pool. Lifeguards have full discretion to remove noodles that are causing disruption or crowding.
-

SAFETY & REST BREAKS

- To promote safety and rest, the pool will be cleared every hour for a 15-minute break. During this time, the lifeguards may limit swimming to lap swim or quiet water use at their discretion. All swimmers, especially young children, are encouraged to rest, hydrate, and use the restroom.
